WAND

WAND's goal to bring assistance to our vulnerable citizens and communities is reflected in our efforts to build lasting relationships and have positive impact on our Youth, Women and The Aged.

The Couva Children's Home and Crisis Nursery, Marion Villa in Port of Spain, The WAND Centre in Palo Seco, The Transition Home & Home for the Elderly at Coora Camp, The Eternal Light Community Vocational School in Tunapuna, and of course the MMDF represent a few organisations which we recognize and applaud as making a genuine contribution to our citizens.

WAND encourages and supports every effort by these organisations to improve the quality of care and service to their communities, and we urge you to continue reaching out your helping hand.
